

AUTHORISED OFFICERS MAY EXERCISE POWERS IN THE SURROUNDING AREA

a) Text and Characters

The height of all Captions and Instructions shall be 50mm. All text and characters shall be evenly and symmetrically aligned, printed in glossy white colour against the red background of the warning notice.

The warning notice shall be made of sturdy material (example: rx. 18G aluminium sheet) sprayed in red background (Colour code No. 538, Post Office of B.S. 381C).

The sign should be placed below the Protected Place signages and the width should be the same as the signage above.
