Dear Residents of Kakit Bukit Ansar Estate,

**CRIME PREVENTION ADVISORY - KILLER LITTER**

Recently, there was an incident of high-rise littering reported at your estate. In the incident, a packet of chilli sauce which was thrown down from an upper floor unit landed on a vehicle at the carpark. Fortunately, no one was hurt.

2 High-rise littering is a socially irresponsible act which can damage properties and cause serious injuries or even death to persons. If convicted by a criminal court, offenders may be fined, and/or jailed.

3 We would like to remind residents to dispose rubbish or unwanted things in a proper and responsible manner. We can make our homes a safer place for our loved ones by adopting the following simple measures:

- a) Conduct regular checks on casement windows and air-con ledges; and
- b) Not placing objects such as empty pots or unwanted bricks along corridors and staircase landing or put pails on the window or balcony ledges even for a short period of time as they are potential hazards.

4 Please report to the Police if you spot any person(s) committing high-rise littering in your estate. If you have any information to help us solve any cases, please do not hesitate to call '999' or **Bedok South NPC** at **1800 - 244 8999**.

Yours faithfully,

**DSP DANIEL HUI  
COMMANDING OFFICER  
BEDOK SOUTH NPC
