Dear shop owners/tenants,

Crime Prevention Advisory – Housebreaking

Recently, one of the shops located along Queen's Road was broken into. The crime was committed between 11:45pm on 19 January 2009 and 10:00am the next day. The culprit had gained entry by prying open the window at the rear of the shop. A laptop and some cash were discovered missing.

2 Police have since stepped up patrols in the neighbourhood. You can avoid being the next victim by adopting the following measures:

- a. Install high quality locks and grilles to secure your doors and windows;
- b. Supplement the physical protection with an alarm system and CCTV system which are regularly maintained to ensure their effectiveness; and
- c. Refrain from keeping cash and valuables in the premises overnight. If this is unavoidable, a high quality safe should be used to secure these items.

3 Should you have any information relating to a crime or notice any suspicious person(s) loitering in the neighbourhood, please do not hesitate to contact **Bukit Timah NPC** at **1800 – 462 9999** or dial **999**.

Yours faithfully,
