Dear Residents of Clementi Ave 4

Crime Prevention Advisory – Armed Robbery

On 9 June 2006 at about 7.30am, a case of armed robbery had occurred at the void deck of Block 319 Clementi Ave 4. In this instance, two male culprits robbed the victim of his wallet after he exited from the lift which he had taken together with the culprits.

2. We would like to take this opportunity to share with you some crime prevention measures:

- a) Avoid carrying excessive cash and valuables. Do not expose cash and other valuables such as handphones and jewellery in public;
- b) Do not take lifts with strangers;
- c) Be alert to your surroundings. If you suspect someone is following you, move to the nearest crowded area or call the Police for assistance. If you are returning home late, get a family member or a friend to wait for you at the bus stop or void deck and accompany you home;
- d) Carry a shrill alarm with you. You can use it to scare off the culprit and attract the attention of passers-by when assistance is needed.
- e) If you are confronted, do not resist and take note of the culprit's descriptions and note any unique features like tattoos and scars.

3. If you have any information that would be useful to the Police or if you wish to report suspicious person(s) loitering around your neighbourhood, please do not hesitate to contact **Clementi NPC at 1800 – 872 9999** or the Police Emergency Hotline at **999**.

Yours sincerely
