Dear Residents,

Crime Prevention Advisory During The Year End School Holidays

The school holidays are here. Many of you might have made plans for a vacation overseas. Hence, please take necessary precautionary measures for your homes in order to have peace of mind during your holiday.

2 You might wish to consider the following security measures while you are away:

- a) Make sure that your main doors and windows are properly secured with good quality locks;
- b) Do not leave large amounts of cash in your home, especially when you will be away for a long duration. All cash, jewellery and valuable items should be kept in a bank or in a good quality safe that is anchored to the wall/floor to prevent the safe from being carted away.
- c) Install a burglar alarm system that is linked to a central alarm monitoring station. Also, please make arrangements for your family members or neighbours to conduct regular visits to your home during the time that you are away.
- d) Please make arrangements to suspend the daily newspaper subscriptions as uncollected newspapers are tell-tale signs that a house is not occupied.

3 Please contact us at **1800-872 9999** should you need clarifications on this advisory.

Yours sincerely
