Dear Shop Owners,

Crime Prevention Advisory – Housebreaking & Theft

Recently, a few cases of break-ins had occurred at shops located in Circuit Road. The culprit(s) had forced open the roller shutters to gain access into the shops.

2 You can prevent your shop from becoming the next target by adopting the following crime prevention measures:

- Install a burglar alarm.
- Secure your shop using good quality locks.
- Install strong grilles to protect the doors and windows.
- Secure all windows and doors at all times.
- Refrain from keeping valuables and large amount of cash in your shop.

3 If you have any information to help us solve any of the cases or wish to report suspicious person(s) loitering around your neighbourhood, please dial **999** or contact **Geylang Neighbourhood Police Centre** at **1800 – 8486999**.

Yours sincerely,
