

Dear Resident,

1 Police and the Roxy Neighbourhood Committee 2 have received complaints on traffic obstruction and violations along Everitt Road.

2 For the safety and convenience of our residents and the motorists, Police and the Roxy Neighbourhood Committee 2 would like to urge you and your visitors to refrain from parking:

- along/against enforcement lines;
- against the flow of traffic;
- 3 metres of a hydrant and 6 metres of a junction; and
- at bends as well as in front of gates.

3 Do park your vehicle within the compound of your unit or at designated lots. Summons actions would be taken against vehicle owners who persistently park their vehicles illegally.

Thank you for your co-operation.
