Dear Outlet Manager / Supervisors

PICKPOCKETS AT JURONG POINT SHOPPING CENTRE

Recently, a number of theft cases (pickpocket) have been reported at various retail stores' premises during peak hours. The culprits were believed to be female foreign nationals and operating in a group. While one culprit would act as a lookout, another culprit would then steal from shoppers' bags by unzipping it.

2 You can help avoid your customers being the next victim by doing the following:

- a. Be alert of suspicious person(s) entering your retail store;
- b. Greet your customers who enter your store. This will indicate that your staffs are aware of their presence;
- c. Ensure your CCTVs are in working condition and view them regularly. If you spot any suspicious person or activities, report to the Police immediately; and

3 If you have any information on the above or wish to report any suspicious persons loitering at your premises, do not hesitate to contact **Nanyang Neighborhood Police Centre** at **1800-792 9999** or dial **999**.

Yours sincerely

DSP KENNETH KAVANAGH
COMMANDING OFFICER
NANYANG NEIGHBOURHOOD POLICE CENTRE
JURONG POLICE DIVISION
