Dear owner of Vehicle No _____,

CRIME ALERT: THEFT FROM VEHICLES

Lately, a number of theft from vehicle cases were reported in your neighbourhood. The culprit(s) would target Suburu Impreza models and take away various vehicle accessories such the fog light covers and front bumper covers. As an vehicle owner of a similar model, **your** car parts could be at risk.

2 Whilst Police investigations are underway and patrols increased, it is pertinent that you remain vigilant and adopt the following measures:

- a) Park in well-lit areas or prominent locations where human traffic volume is high.
- b) Anti-theft devices should be regularly checked/ serviced to ensure their effectiveness.
- c) Be vigilant and keep an active lookout for suspicious persons loitering around car parks during the wee hours of the morning.

4 If you have any information pertaining to the above cases, know of where such second hand vehicle accessories may be disposed of or wish to report suspicious persons loitering in your neighbourhood, please call **Nanyang NPC** at **1800-7929999** or dial **'999'**.

Yours sincerely,

DSP KENNETH KAVANAGH
COMMANDING OFFICER
