Dear Sir / Madam,

Crime Alert: Theft of Trailer Chassis

Recently, Police had received several reports of trailer chassis thefts at heavy vehicle car-parks in the western region of Singapore.

2. The chassis were discovered missing the following day after being parked overnight by their owners. In most of these cases, the chassis were left unattended and unsecured.

3. Police has since enhanced patrols in the affected areas. You can also play an important role by adopting the following crime prevention measures:

- a) Avoid parking your trailer in secluded and dimly-lit areas;
- b) Fit additional security devices such as a reinforced wheel lock;
- c) Install a king pin lock to prevent unauthorised coupling of the trailer;
- d) Install a GPS tracking system; and
- e) Keep an active lookout for suspicious characters loitering in your neighbourhood.

4. If you have any information on the above crime, please contact **Nanyang NPC** at **1800-792 9999** or call **999**.

Yours Faithfully
