Dear tenants of Alexandra Distripark

## **CRIME PREVENTION ADVISORY – HOUSE BREAKING AND THEFT**

Towards the end of August 2006, several cases of break-ins occurred at Alexandra Distripark. The most common mode of operations are as follows:

- Forcing open doors, windows and other openings to gain entry into the premises.
- Cutting open locks/grille gates/iron meshes of doors/windows.
- Scaling walls to enter through unsecured doors, windows and other openings such as air vent, skylight, sewage hole, etc.

2 We would like to take this opportunity to share with you some of the crime prevention measures that you can adopt to enhance the security of premises:

- a) Front gates should be secured against intrusion with quality locks used for main doors and windows.
- b) Do not leave large amounts of cash overnight in the premises. Expensive equipment should be kept in a room which is locked and secured. All valuable or important items should be kept in a good quality safe that is anchored to the wall or to the floor to prevent the safe from being carted away.
- c) Install a CCTV system and a burglar alarm system that are linked to a central alarm monitoring station.

3 If you have any information to help us solve this case or wish to report suspicious person(s) loitering around your neighbourhood, please contact **Queenstown NPC at 1800 – 4719999** or dial **999**.

Yours sincerely,

**DSP ALEX NG  
COMMANDING OFFICER  
QUEENSTOWN NEIGHBOURHOOD POLICE CENTRE  
CLEMENTI POLICE DIVISION**
