Dear Delivery Riders,

Crime Prevention Advisory - Theft of Motorcycle

On 20th April 2009, a case of Theft of Motorcycle was reported outside the McDonald's at Tampines East CC. The victim left his motorcycle unattended with the key in the ignition. When he returned a few minutes later, he discovered that his motorcycle had been stolen.

2 You can minimise the risk of being a victim by adopting the following crime prevention measures:

- Install an anti-theft alarm system which would immobilize your motorcycle once it is activated;
- Always remember to remove your key from the ignition;
- Ensure that your vehicle is secured when it is left unattended, even if it is for a short period of time;
- Always use your motorcycle handle lock and/or add an additional lock to your brake disc;
- Park your motorcycle in well-lit areas.

3 If you have any information to help us solve the abovementioned case or wish to report any suspicious person(s) loitering around your neighbourhood, do not hesitate to contact us at the Police emergency hotline '999' or **Tampines NPC at 1800 – 5871999**.

Yours sincerely,
